

# 2017 Monroe County History Challenge

The History Committee is pleased to announce that the 3rd Annual Monroe County History Challenge will be held on Thursday, May 11, 2017 at 7:00 p.m. at East Stroudsburg University. This event will feature high school juniors from our area schools competing for scholarship dollars by answering four rounds of questions testing participants' knowledge spanning International to Monroe County history and events.

The 1st place student will be awarded \$500, 2nd place \$400, and 3rd place \$300.

If you know an area high school junior who would be interested in participating in the Monroe County History Challenge, please encourage them to visit their high school's guidance office for information and details. The deadline to apply is Friday, April 28, 2017.

We are looking forward to another enjoyable and interesting evening and we need your help to make this event happen. Please consider adding your name to our growing list of scholarship contributors. For your donation, your name will be listed in the program and on all publicity surrounding the event. Again this year, the Monroe County History Challenge will be televised by Blue Ridge Communications and your name will be a part of that programming as well.

The public is welcome to attend the night of the event. For those who will be unable to watch it live, the staff will send out a notification when the program will air. Be sure to tune-in and see how many questions you can answer!
